Kazakhstan, Kyrgyzstan & Uzbekistan, three countries in Central Asia that are incredibly rewarding, beautiful and friendly. Join me as I recount travel experiences, give travel tips, review the places I stayed and how I got from A to B in these three amazing countries. Includes dozens of photographs by the author. Covers - Almaty, Semey, Astana, Bishkek, Karakol, Tashkent, Samarkand, Bukhara & more!

'Short Journeys' is a series of stories about my travels to different countries. Whilst they are not intended as a guide book, I have endeavoured to include information about where I stayed, what I ate, what I saw and how to go about it if you were to visit the countries in question. My previous writings – the 'Dhaka to Dakar' books, were simply travel experiences. This time I wanted to go a little further for the reader.

I wanted to include any stories and experiences I thought were interesting, important or amusing whilst I was travelling. I want to encourage you the reader to read, think about, and then perhaps go there yourself. You will find information on the places I stayed and visited, and how I got there and around.
