Beschreibung:

Few first collections in recent years have made the impact of Kate Clanchy's award-winning *Slatern*, which gained her a reputation as a poet of great immediacy and wit. In this new book her range is extended dramatically. *Samarkand* is both a darker and a more sunlit collection than its predecessor.

Inside, the reader will find surreal elegies; love poems of every humour; grim episodes from colonial history and meditations on home and distance as well as some practical advice on having sex with angels – all delivered with the effortless musicality of phrase and formal panache that are fast becoming Clanchy's trademarks.
